

Real Estate Service Department

Our Real Estate Service Department's duty is to make your selling or buying process easier by assuming the entire responsibility of working with your client to meet any and all of their needs regarding the condition of a property. We are associated with certified contractors all around California. We can guarantee full responsibility and quality for all work completed.

With only one phone call you can have us make all the arrangements necessary to meet your seller's or buyer's needs. This will save you time, provide your client the lowest possible costs and ensure things are done to everyone's satisfaction.

Our services include:

For the seller and seller's agent:

Preparing a property for sale,
Trash removal,
Correction of all code violations,
Removal of any hazards,
Lawn and landscaping maintenance,
Property maintenance and security,
Correction of any deficiencies found in a home inspection,
Moving of furniture and personal property,
Property preservation and/or winterizing

For the buyer and buyer's agent:

Complete property inspections (home, termite, mold, structural, and others),
Termite and mold remediation treatments,
Repairs and costs evaluation,
Recommendations and estimate for improvements,
Remodeling,
Big or small post sale repairs,
Trash removal,
Property maintenance and security,
Moving of furniture and personal property,
Lawn and landscaping maintenance

Servicing all California

Simply e-mail or call, tell us what service(s) you or your client needs and we will make all of the arrangements.
